“Double” Challenge

20 Minute Clocks

1sts/2nds: Players may not go 1st all three games of a match; if the third game of a match starts with the same player going first as in the initial two games, that player must pass their turn; if this is not observed, the player going second may abort the game and rematch

For each MATCH (not each game), each player submits “virtual tally slip” to kacattac@gmail.com

e.g. division 2
round 5
kacattac 2 wins, GiantSteps 1 win

Director resolves discrepancies and tie-breakers using “history”

Standings based on a point system

For each match:

3 wins / 0 losses	=	6 points
2.5 wins / 0.5 losses	=	5 points
2 wins / 1 loss	=	5 points
1.5 wins/1.5 losses	=	4 points
1 win / 2 losses	=	3 points
0.5 wins/2.5 losses	=	2.5 points
0 wins / 3 losses	=	0 points

where ties = 0.5 wins + 0.5 losses

Standings Tie-Breakers:

- (1) head-to-head MATCH record (among ALL players tied)
- (2) head-to-head GAMES record (among ALL players tied)
- (3) head-to-head point spread (...and so pour one out for the director...)
- (4) overall GAMES record
- (5) overall point spread (...pour out several more...)

Matches/games which do not conform to the format =
match is voided with both players receiving 0 points

A private email will be sent matching ISC handles to real names; please keep this info private

Director is not responsible for adverse game results due to connection problems, technological glitches,
or lack of familiarity with the interface

Review your ISC settings to ensure you can match and communicate with your opponents

During the tournament players may not play any non-tournament ISC games;
penalty = 1 win deducted from your next match result

Cheaters will forever suffer from karmic rebound and a guilty conscience
