Ninth Chords

This musical score provides the bass clef notation for ninth chords in twelve keys: B-flat, B, C, D-flat, D, E-flat, E, F, G-flat, G, A-flat, and A. Each key is represented by a horizontal staff. Above each staff, four chord types are listed: Major 9th (Maj⁹), Dominant 9th (9), Minor 9th (min⁹), and Minor 9th with a major 7th (min⁹(maj⁷)). The notes are written in a simple, clear style, with accidentals (sharps and flats) indicating the specific notes for each chord. The score is organized into 12 rows, one for each key, with four columns of chords per row.
